Started Aug, 2007 – Completed Aug, 2025

Spanning over 17 years of ministry, we saw over 500 people who were saved, over 300 baptized, and 220 helped with transitional housing.

A total of over 180 students completed the Berean Bible 12 week discipleship class online and in person.

We purchased and developed 4 acres of land for a youth camp and community outreach. It was used for over 8 years with approximately 6 thousand people from the community who participated.

Our annual men's event took place for 4 years with thousands participating.

Never a dull moment!
