Real Estate Portfolio

2-1-26

Purchased, renovated, built, and sold 8 properties in the Enid, OK area in the last 5 years totaling over \$500,000 using no bank funding.

Properties included were brick homes, mobile homes, stick built, new construction, etc. Worked with civil engineers, contractors, city zoning and permits, investors, renters, inspectors, title offices, and real estate agents throughout the process. Started and managed a nonprofit low income housing group for 83 residents through donations and contributions. Worked with cash deals, owner financed, contract for deed, and other creative financial applications.

I am looking forward to finding the next solution for anyone I can help by playing any role necessary to closing another property.

Please call with any questions,
